OIL WELL FIRE Lions Open Bonspiel

Fire broke out in a well in the Carmwood field, at Champlin-Carmwood 8-14, when a witch truck slipped off the road which went past the wellsite and landed on top of the well-head, breaking it off. The accident occurred at about 8:30 p.m. on Tuesday evening.

The well ignited and the truck, an Eskimo Fracturing Service witch truck, was completely destroyed. The driver of the truck, Andy Patton and his swamper, Glen Coburn were burned about the face and hands and both were taken to Drayton Valley Hospital

for treatment. It is said that their burns are not too severe, however. The two men were brought to the hospital by Champlin's geologist who was near the wellsite at the time.

The burning well is located on the south side of the highway east of the bridge, about nine miles east and four miles north of Buck Creek. Oil well fire-fighting units are standing by. Attempts are being made to shut the well off, and it is said that well pressure is dropping, which will make it easier to bring the well under control, and put out the fire.

Drayton Valley Lions are planning an Open Bonspiel to be conducted on March 27th. First draw will be made at 1:00 p.m. Entry fee for the Bonspiel is \$10.00. A maximum of twenty rinks will curl in the event. Drayton Valley Lion Ladies will serve a buffet luncheon from 5:00 to 6:00 p.m.

Anyone interested in entering the 'spiel may phone Leo McKernan at 56, ring 2, or Ken Walters at 47.

A.A.R.N. MEETING

The regular meeting of the Drayton Valley Chapter of the Alberta Association of Registered Nurses was held March 9th in the Nurses Residence. The meeting opened with an interesting and informative hour during which Dr. Hopwood gave a lecture and showed pictures on Leprosy.

The business portion of the meeting was taken up with further plans for the Red Cross Blood Donor Clinic to be held March 28th in the new School Auditorium. A number of groups and individuals have expressed their interest and have enthusiastically volunteered their services to help make the clinic a success.

The Plaque which is to be awarded to the organization with the most donors may be seen on display in the corner window of Williamson's Department Store.

Oil Wives' Fashion Forecast

A real treat is in store for the women of Drayton Valley who will preview spring and summer fashions supplied by the Hudson's Bay Company, Williamson's, Ann's Fashions and Ken's Men's Wear.

The event will take place on March 31st at 8:30 p.m. under the sponsorship of the Oil Wives' Club. Fashion will be featured for children, teen-agers, men and women, with much importance being placed on holiday clothing.

Photo by Curt's Studio Tickets will be sold by pre-sale

District Personalities

Photo by Curt's Studio

Mr. Leslie Oscar.

Leslie Clayton Oscar, of Easyford district, was born in Minnesota and came to Saskatchewan with his parents while still a babe in arms. His parents homesteaded in Saskatchewan in 1912, when the big land rush came to the Western Canadian prairies. Just before the First World War. In the early days of homesteading they were 55 miles from the nearest town, which was Elrose, Saskatchewan. Later, he lived at Tuberton, Sask. and went to school there.

Leslie came to Alberta in 1929; fitting, while still in his teens, on a homestead in the Easyford district. He joined the army in 1941 and served overseas, first with the Fourth Canadian Army Troop Workshop and later in a different branch in the Fifth. He was mustered out and may be obtained at Hudson's Bay, Williamson's, Ann's Fashions, and Ken's Men's Wear. There will be a draw made from these tickets for door prizes.

Mrs. Scott McDonald will act as emcee for the show and Mrs. Ken Boling is acting as co-ordinator.

RECREATIONAL MEETING

The Recreational meeting to be held in the Community Hall at 8:00 p.m. March 24 will see further discussion on the use to be made of the government grant which will be received by the Town of Drayton Valley for use in promoting a recreational program.

end out of the army in 1948, after having served in Italy, Germany and Holland. While Les was in the army overseas Mrs. Oscar took over the store and post office in Easyford in 1944.

After getting out of the army he worked the farm at Easyford, and later went to Wainwright where he did carpenter work for the Army at the Army camp for four years before returning to this district. He married Inez Block in 1930. Miss Block had been a teacher in the Perryville School in the Easyford district. They have eight children: Ted, who is in the Canadian Navy, Robert, Sharon, married, Carmen, Darlene Anne, Richard, Les and Tommy. Mr. Oscar is a member of the Drayton Valley Legion.

A former meeting for this purpose held about a month ago brought out many good ideas for a well-rounded recreational program. In addition to the discussions which will take place about the recreation facilities in Drayton Valley a film on "Recreation" will be shown also.

LIONS CLUB RODEO COMMITTEES

A special Rodeo Committee was set up recently by the Drayton Valley Lions Club to make arrangements for Drayton Valley's Rodeo. (Cont. page 9, col. 1)

"Revival"

Submitted by Rev. Albion Wright, of the Drayton Valley United Church.

"When one of our Arctic companions of explorers went to search years ago... among snows and icebergs alcohol froze in a bottle by their side, and the thermometer went to 50° below freezing point--the poor fellows, overcome with cold, lay down to sleep. Warm homes and delight full firesides mingled with their visions. But the leader knew that half an hour more of that lucid sleep would leave every one of them corpses on the ice. He roused them up. They said, 'We are not cold; we only want a little rest.' Half an hour more would have left them stiff. So their leader struck them, boxed them, bruised them--anything to drive off the slumber. Poor fellows! They staggered down the cabin, but they were saved. The arm that roused them was the arm that saved them. Oh, immortal reason, the arm that rouses the arm that saves."

But my dear brethren, is there no something like this in the history of the Church sometimes? When a church lies down and night, when tears from in and around Drayton danced below in their socks to the music of the Pembina Pipe Line Orchestra.

Club president Wally Mohr hasn't yet disclosed what the theme for the next dance is but you can bet your bottom dollar that what ever it is--you'll enjoy it. So make plans now for being in attendance.

Now that Gordon Tucker has returned home, a certain young blonde by the name of Miss Sharon Woods is conveying more than readily how happy we all are to see him back in our midst. Not having had a chance to see Gordon myself yet, I just have to take it from Sharon as to how wonderful he is looking. Welcome home Gordon, it wasn't just Sharon that missed you, we all did.

School Boze

By: Robert Ebbotson

A full evening of entertainment is in store for those that attend the presentation of two plays by the High School Drama Class and a selection of old favorites by the Edmonton Barbershop Chorus.

To be held in the Elementary School Gymnasium on March 26th, the two and a half hour long show is being presented by the High School Students' Union. Admission is one dollar for adults and fifty cents for students; the program begins at eight. Advance tickets for this program may be purchased from any of the High School students.

Teen Town, as usual, was a smashing success last Saturday night, when teens from in and around Drayton danced below in their socks to the music of the Pembina Pipe Line Orchestra.

Club president Wally Mohr hasn't yet disclosed what the theme for the next dance is but you can bet your bottom dollar that what ever it is--you'll enjoy it. So make plans now for being in attendance.

Now that Gordon Tucker has returned home, a certain young blonde by the name of Miss Sharon Woods is conveying more than readily how happy we all are to see him back in our midst. (who knows?) when he came out on top during the 1960 Golden Gloves held in Edmonton recently. Sponsored by the Pembina Boxing Association, he added two extra trophies to his name while he was at it; one for the best Right hand and the other for the best Novice. On March the 25th and 26th, Ruffus will be competing in the Northern Alberta Cham

pionships, followed by the Provincial Championships some time in May. Next year, the Golden Gloves again, this time in open competition. Best of Luck Ruffus, we're all behind you, wishing you the very best.

Until next week, adios amigos.

From Scoop's Notebook

A Welcome party was held for "Skip" Wilson recently by some of the "Oldtimers" of Drayton Valley. It is those who were here in 1944 and early 1945 when the R.C.M.P. detachment was first set up here.

The party was in the nature of a surprise party to welcome Constable Wilson and Mrs. Wilson, and really surprised "Skip" when he returned from an assignment out of town and found his friends gathered at the barracks.

The group had gotten a present in the form of a chime mantle clock, which was received with great appreciation by both Constable and Mrs. Wilson.

Helen Rohake, of Rohake's Boarding House and Bakery's Flower Shop flew down to Medford, Oregon, by United Airlines recently to attend the funeral of her uncle, Peter Gerson. Mr. Gerson visited in Drayton Valley a year or so before his death and was quite impressed with the place.

REPORT FROM LEGISLATURE

By Mrs. Cornelia R. Wood, M.L.A.

During the first week in the legislature, the debate on the budget highlighted proceedings. Mr. Macgregor (Lib. Le. La. Biche) let off on Monday and devoted most of his time to enumerating the needs of his constituency. He made a plea for the government to improve living conditions of 3000 Métis and 5000 Indians in the North. In dealing with the industrial tax legislation, he suggested that the list of industries effected should be clearly named in it. He urged reinstatement of departmental examinations for Grades ten and eleven.

Randolph McKinnon (S.C. Strathcona West) in his remarks on the budget stated that one-third of Federal revenues was spent on defense while one-thirtieth was spent on education. Alberta's budget allowed 27 per cent of its expenditures for education in 1960.

Hon. A.O. Ashburn Minister of Education was the first Minister to enter the debate on the budget. He stated that construction of new schools was being lessened because buildings were beginning to catch up with the demand, but sufficient construction grants were allocated in the budget for the year. In reporting on salaries of teachers, he said there are at present 10,855 teachers in the Province earning an average of \$4,445 a year as compared to 9,938 in 1952 who earned \$2,700 annually.

Mr. Ashburn in dealing with the Cameron Report advised that his department was making a thorough study of it and no doubt many of its recommendations would be implemented while others would be adopted in modified form. He stated that the cost of departmental examinations in grades ten and eleven would be approximately \$300,000 a year.

Tuesday was Private Members' Day and a resolution asking the Federal Government to take action to assure a larger share of the Canadian Market to Canadian Producers of coal, carried unanimously when put to a vote.

After several speakers gave their views on the need for markets for Alberta's coal, considerable excitement was created when Hon. Gordon Taylor (S.C. Drumheller) a representative of the once prosperous coal-mining area of the Province, accused the Federal government of "squeezing the coal industry too long".

Another resolution asking for the reopening of the Fairview School brought the statement from Hon. L. C. Halmstad, Minister of Agriculture, that given assistance from the North Country residents that there would be sufficient students to warrant it, plans would be considered regarding using the former school for a program of agricultural training

and perhaps other educational training as well. The motion was carried unanimously on a voice vote.

Hon. J.D. Ross Minister of Health led off in the debate on the budget on Wednesday. He dealt with the work of the 32 branches of his department and reported that the emergency Air Ambulance Service had made 55 flights last year. He explained the program of training dentists to give assistance under supervision of qualified dentists in outlying rural areas.

Dr. L. Heard (S.C. Edmonton) criticized the increase in Edmonton natural gas rates last year and questioned the authority of the three-man board in deciding rates involving large amounts of money and affecting many people. He did not like the "therm billing" and felt it did not present a true picture of gas charges.

A resolution asking the Provincial Government to consider providing the University of Alberta, with sufficient funds from the Home Cattle Trust account, to permit the establishment of a Beef Cattle Breeding Program, at an early date, was moved by H. Strom (S.C. Cypress) and seconded by W. Urs (S.C. Red Deer). A good discussion took place and on a voice vote the resolution passed unanimously.

Another resolution was discussed asking the Provincial Government to conduct a study into the feasibility of enacting legislation which would guarantee to workers the right to pension benefits to which they have contributed and provide a system whereby pension funds and benefits could be transferred from one company to another where an employee

changes jobs.

During the week 51 new Bills were given first reading, bringing the total to 43 waiting second reading, and discussion on the principle of them. Several of the Caucus Committees met to study the legislation that has been brought down. Friday the Public Accounts Committee met to explain expenditures of the Government for the past year and show members how to make use of the public accounts. The public accounts is a document of the full disclosure of the finances of the Province and of all Government Boards.

Mr. Wm. Tompyn (S.C., Edmonton-Newwood) continued the debate on the budget on Friday. He dealt with highway legislation and safety driving measures. Once again an exhibit was displayed in the House. This time it was a poster emphasizing driver-training, resulting in death. He advocated a stricter to go with every license, stating:

1. If you drink - don't drive - "Drink, drive and die"
2. Obey all traffic signs
3. Do not hurry
4. Keep lights, windshields and brakes in good condition.
5. Don't follow other cars too closely
6. Don't be a road hog.

Following Mr. Tompyn, Hon. Gordon Taylor dealt with representatives in his Department and work projects for 1960.

- Approximately half the personal service farms in all of Canada is located in the Province of Alberta.

- Construction costs of Alberta's 176-mile section of four lane divided highway between Red Deer and Calgary averaged slightly in excess of \$200,000 per mile.

- Poplar plywood produced by three plants in Alberta is ideally suited for making furniture and musical instruments.

Technicians assemble Trans-Canada Air Lines highly complex Douglas DC-8 simulator in the company's new training building at Montreal. The \$1,000,000 machine, built by Link Aviation Company, is capable of doing anything the aircraft can do - except while the aircraft is in flight. The simulator will be used to supplement training of pilots for the 550-mile-hour, 127-passenger revenue passenger service. More than 128 miles of wire, some thousands of vacuum tubes and hundreds of amplifiers and servomotors are included in the simulator complex, which has been called the largest analogue computer in the world. TCA pilots began training on the simulator at the end of February.

The ex-kanak pilot was up playing for a job. "What's your name?" asked the personal manager. "Chou Mein," answered the pilot. "But I thought that, duhuh."

World War II all Kanakaze pilots either fought to the death or were committed suicide. What about you?"

"Ah," said the pilot, "Full name is Chou Mein."

Food for thought

By: Danita Bowling.

Shadow Bowling is not exactly in my line but I feel that some words in reply to the mysterious "Citizen and Taxpayer" who wrote a letter to the editor last week, are called for. First, let me say that I am pleased to know that people are becoming seriously interested enough in our recreational question to discuss it and think about it. Whether they agree with me or not is not important as my main goal was to create interest. However, I believe anyone's opinion gets greater recognition and respect when it can be identified with the person so, the next time our "Citizen and Taxpayer" has some thing to say, I hope one of the will be willing to identify themselves by signing their name? So much for that part Next I would like to make it clear to this person that I never once inferred it was a good idea to "let our kids swim in the river to see what the money and build a Banquet Hall". A Recreation Hall is a far cry from just a basket ball and a quick glance at the questionnaire that is being distributed by the council, to each household, and which has a complete list of Recreational Activities will show that over 40 of the Activities require a Hall and many of the Hall Activities are of the body building, time consuming variety that our letter writer feels are important to our youth. The suggestion that in any way the grant could be used as a service to a certain class of people is unthinkable. No matter how it is used it cannot eliminate anyone who wants to participate in its service and that means all races, colors and creeds. I would be among the first ones to protest any discrimination! As for the children who do not have the proper bathing facilities at home, it was my impression that we were discussing the merits of a swimming pool not a public bath house! And as for Polio and Typhoid Fever, it is common knowledge that chlorine is not a "cure all" for those treacherous diseases and a swimming pool or any other place that attracts group gatherings are immediately closed during an epidemic. In my mind I am certain that there isn't any recreational facility in the world that can compare with Dad's car! Just ask any young chap or girl if he or she will give up driving, or the desire to learn to drive, in favor of any sport. Nor do I feel that any amount of money we spend will alter the situation of Dad letting Junior have the car. When Dad allows his son or daughter to have the car it is a "home decision" that Recreational Boards, City Council or ordinary Citizens cannot interfere with. Besides, just how are the thousands in our surrounding areas going to join the thousands in Drayton Valley in using our Recreational facilities? Transportation of some sort is not available to them? And looking

to our future D.V. Olympic Swimming team I can offer this bit of encouragement. I have known two Olympic Swimmers, Champions who jumped their basic swimming technique by "floating down the river on a Sun day week, in June". Neither man had experienced pool swimming until he was definitely was released enough to get recognition as a swimmer. They knew only too well their limitations and ability, as when one "floats" down the river and "twins" back upstream it requires a degree of energy and strength that one is not required to face in placid water. One of these Olympic Champions, when all the glory and fame of the swimming world had been given to him, degenerated into a pile of physical rubble. It certainly was not because he could or couldn't swim, it was because basically he was a bad swimmer from the beginning. The primary lesson for a healthy strong body and a clean mind come from the home and if the lessons are well learned the good apple pop up and the bad apple seek their own level at the bottom of the heap. And don't forget for a minute that youth resents, and rightfully so, the adults moving into their world and mapping out every minute of their time for them. Opportunity for them and quiet reserved supervision is acceptable but don't be trying to tell them what to do every minute. They want to use their own imagination, exercise their own initiative, try their own wings, be their own organizers and to make and learn from their own mistakes. We adults can advise but we can't live their lives. We can buy them, or try to buy them, the moon but it is valuable to them if they have not been allowed the opportunity to help obtain it for themselves! If it is experiencing such things that our young people become worthwhile adults. I can't ignore the many fine decent young people. In our community in favor of the few who have attracted our attention by being outlaws and I have such a strong faith in these youngsters that I do not believe it is necessary for us to take away every minute of their time and to do so destroy their chances to create some of the possibilities of a young person's imagination. -- In all fairness to a certain group of dedicated men in our community I feel it is only right to inject a popular idea into this, "What shall we do with grant money?" It has not been publicized but some people are extremely interested in having the money used for an enclosed area.

There is no question but what Ice Hockey is a major sport and certainly fills a big gap during the winter months for both juniors and seniors. It is a whole some and beautiful sport and those who participate have worked very hard to have a place to play. These can be no spectators interest in an outdoor rink and, of course, the skating facilities are not always the best on an outdoor rink. So in considering our needs and just because the winter season is nearing its end, let us not forget to weigh the merits of the facilities for that fine Canadian National Sport, Ice Hockey! Maybe D.V. could produce a few Olympic Champions in the world of Ice Hockey, too! Come on, you Ice Hockey fans, any ideas worth having are worth voicing. I have my ideas but I can be proven wrong and I'll be the first to admit it. I am not against any kind of sport, it is just gratifying to suddenly discover that people are not indifferent to it and, that out of all this discussion, D.V. will eventually be the proud possessor of a pool? ball? arena? or? See you at the Public Meeting March 24th.

Home & School

Regular Meeting of the D. V. Home & School Assoc. for Feb. was held with a good attendance. It was announced that Cardinal Sude has offered a scholarship to any Drayton Valley student to University of Alberta in the amount of \$400.00 per year with an average above 70% in Engineering.

The question was asked why no scholarships were given to grades X and XI. Mr. McManus explained that it was very difficult to choose candidates with fairness since those two grades did not write Dept. Exams and so far the final exams had not been standardized in the School.

The installation of the fence was discussed again. The money for the balance of payment for the fence to school board was returned with the suggestion that it be put toward play ground equipment if it were not needed to for this since "breakup" should bring a considerable number of

volunteers to do the job and play-ground equipment is hard to get. A motion was made and carried that a letter be sent to the Stony Plain School Board suggesting that the New High School be called the "W. W. Maddock High School" in honor of the Board Chairman who has worked so hard to try to get good schooling for our district.

Mrs. Beatty's and Miss Vandermark's rooms for the attendance book, for the members of the school, were given two counts and Mothers' own.

The Grade VIII rooms in the Junior High School were open and

teachers in attendance to meet any parents interested in visiting them.

A film "Appointment with Youth" was shown with Rev. Wini as moderator. His preliminary remarks were greatly enjoyed and a lively quiz session followed with some pretty definite ideas that teaching is a good profession and becoming a more lucrative one all the time.

An extra film "The Holy City" was also shown which showed modern day Jerusalem in color. The next meeting is March 28 at 8 p.m. in the Elementary School Auditorium. The Grades I and II rooms will be open with

teachers in attendance to meet any parents interested in visiting them.

The film "Family Circle" will be shown in April instead of March as announced in the paper.

HE DESERVED A REST An iron-wreder mechanically walked the beam high above the street on a new skyscraper, while the pneumatic hammers made a nerve-jangling racket

and the compressor below shook the whole structure. When he came down, a man who had been watching said to him "I was amazed at your calmness up there. How did you happen to go into work like that?" "Well," the other said, "I used to drive a school bus, but my nerves gave out."

When someone takes a man's head, he is facing failure.

Traffic By-laws

TOWN OF DRAYTON VALLEY.
By-law Number 181.

Section 901. Trucks over one ton are prohibited from driving on the following streets in the Town.

(a) From 50th Street along 5th Avenue to the Town Alley west of the Post Office.

(b) From 50th Street along 2nd Avenue to the Town Alley west of the Pemina Gardens Cafe in Block 3.

(c) On 5th Street.

(d) In the residential area bounded by 54th Avenue on the north to 50th Street on the west, 50th Street on the west to 45th Street, 423. Every person shall be guilty of an offence under this by-law who: Fails to report an accident.

(e) As owner, driver or passenger being involved in any accident within the Town of Drayton Valley whereby injury is caused to any person or damage to property apparently in excess of \$100.00 fails to immediately report the time, place and circumstances of any such accident to the Police Department of the Town.

(f) Fails to stop his vehicle at any cross-hatched pedestrian crosswalk marked by a sign with the following or similar words, "If crosswalk occupied-STOP" when:

(1) A pedestrian is standing or moving in the approximate path of the approaching vehicle; or
(2) A pedestrian is walking toward the intended path of the approaching vehicle. The vehicle operator may proceed when it is safe to do so.
(3) Parks a vehicle on a highway is such a position that pedestrians are unable to cross the highway within the crosswalk.

502. No driver or person in charge of any vehicle, truck or trailer used for the conveyance of fuel oil, gasoline or other explosive material, shall park or stand such vehicle, truck or trailer upon any highway.

505. Drivers of vehicles used for the delivery of any goods, wares or merchandise, or milk or bread, or used to deliver any other commodity shall when stopping to make a delivery, stop their vehicle only at the curb or side of a street or lane, and no such driver shall in taking a delivery leave his vehicle in the street except at the curb or side of the street.

506. (2) No person shall drive, propel or move on any surfaced or oil treated highway any vehicle having metal spikes, logs, cleats or bands projecting from the surface of the wheels or the tire of such vehicle, or any vehicle having a caterpillar tread, or any heavy machinery, tractor, or any building on skids or wheels, other than standard house trailers, unless and until a special permit has been issued pursuant to this section.

(3) Any person desiring to obtain a permit required by the preceding section shall make app-

lication in person or writing therefor to the Secretary Treasurer or setting out the nature of the vehicle or building, etc. to be moved, the style of frame, and such further information as the Secretary Treasurer may require. Such application shall also contain an agreement by the applicant to pay all damages caused to the highway, by any work made or done over, upon or under the same as a result of the operation and conveyance or movement of the vehicle, building, or machinery mentioned in the permit. The Secretary Treasurer may in any such permit specify the route to be taken, the precautions required to protect the highway along the route (including the laying down of planks to protect pavement or crosswalks or timbering to protect bridges or culverts), the hours during which the movement shall take place, and such other conditions as he deems necessary for the protection of the highways and any works done or made over, or under the same.

507. The Secretary-Treasurer or Town Manager is hereby appointed as the officer of the Corporation to issue permits on behalf of Corporation to operate Tractor engines or other heavily loaded vehicles on highways in the Town.

Barbershop Chorus and Drama Class Present Program

On Saturday, March 26, starting at 8:00 p.m. in the Drayton Valley Elementary School Gymnasium, a combined song and drama event will be held. The singing selections will be provided by

the "Barbershop Chorus" a group of some 30 singers, made up of various barbershop Quartets from Edmonton.

The Drama Class of the Drayton Valley High School Grade 10 class will present two one act plays which will be written by members of the class. The plays will be presented under the direction of Ole Kupchenko. Awaiting in the presentation of the plays will be Allen Brown and his group of grade eight Drama class students.

The Chorus will sing a selection of old favorites. Tickets for the event will sell for \$1.00 for adults and 50¢ for students. Don't forget the date, the place, or the time: March 26, in the Elementary School Gym at 8:00 p.m.

DID YOU KNOW

WHERE IS THE GRAVEYARD OF THE GULF?

Anticosti Island at the mouth of the St. Lawrence River was once known as the graveyard of the Gulf because of the many ships that were wrecked along its shores. The weather in the area is very severe and navigation is dangerous. Since the Canadian government built four lighthouses on the island, the number of shipwrecks has been greatly reduced. This large, low-lying island, a part of Quebec's Saguenay County, is 135 miles long and has a maximum width of 30 miles. It lies about 13 miles across the Jacques Cartier Passage from the north shore of the St. Lawrence and about 45 miles from the Gaspé coast. The island is owned by a pulp-and-paper company.

More than half the total area of all Canada's national parks is located in Alberta. In order of size the five parks in Alberta are: Wood Buffalo (3,700 of its 17,000 square miles in N.W.T.); Jasper, 4,200 square miles; Banff, 2,564 square miles; Waterton, 214 square miles; and Elk Island, 75 square miles.

REPORT FROM PARLIAMENT HILL

By Hugh M. Horner, M.D., M.P.,
Jasper, Edson.

I thought that in this report I would discuss the Forest Industry. As you know, the Government has stated in the Speech from the Throne that these will be a new Department of Government to deal specifically with forestry and related resources. This is evidence of our Government's concern for the Forest Industry.

For the past two sessions our Government revived the Standing Committee on Mines, Forests and Waters of the House of Commons, which had been inactive for many years. This Committee has become very active in the past two years and devoted a good deal of its time to forestry. Many professional foresters and other prominent in forestry affairs have given evidence before it. One of this Committee came the recommendation for the new department. Also came recommendations for more research. The Government has agreed to make available twice the amount of money for forestry research in the next five years.

We in Jasper-Edson are, of course, vitally interested in the forest industry. We shall be pleased to see more research and investigation into forest utilization, conservation and prevention of fires.

The Department has already done considerable research into lodgepole pine and in conversations with the Director of Forestry, he has informed me that they will soon be publishing a complete work on the management of this species which will help a great deal. With the large stands of lodgepole pine in

our area, this will be of great interest to our operators. If there are any who would like this information when it is published, please get in touch with me.

CWL Meeting

The monthly meeting of the C.W.L. was held in the rectory with 34 members present and Father Scriven as director. New members were elected and are as follows:

Mrs. Whisman, president; Mrs. Banicki, 1st vice president; Mrs. Shandil, 2nd vice president; Mrs. Marz, 3rd vice president; Mrs. Morley, secretary; Mrs. Lesiak, treasurer; Mrs. Keam, publicity; Mrs. Hebo, spiritual counselor; Mrs. McDonald, membership convener and Mrs. Vaugens, get well convener.

The C.W.L. are holding a 20-ham bingo on April 9 at the Elm Hall. The Mother's Day tea and bazaar will be held on May 8.

Hospital visitors for this month are Mrs. Coutts and Mrs. Robertson.

The milk wagon collided with a truck, and many bottles of milk were broken. A crowd gathered. "You fellows, you will have to pay for this accident, won't you?" asked a sympathetic man. "Yes, sir," said the driver. "That's too bad," was the reply. "Here is a quarter towards it, and I'll pay the rest for you."

After the crowd had contributed, the driver said to a bystander: "That's my boss."

Pembina Playmates News

Planning a bottle drive for Saturday, March 26, are the "Pembina Playmates" W.I. Girls' Club of Easyford.

These thirteen girls organized last November are supervised by Mrs. L. Oscar and Mrs. W. Hardy and are a very active group.

At present the girls are making plans for their provincial conference in July. They are preparing for exhibit handicraft, art, short stories and cook books. The W.I. G.C. is similar to the 4-H clubs. The conference, a 4-day affair, is held at the Old School of agriculture. At that time members of some thirty W.I.G.C.'s in white and green uniforms gather at Olds to exchange ideas, exhibit their year work and to compete in sports and public speaking.

The Pembina Playmates are grateful to the Drayton Valley Women's Institute who sponsor and assist them.

The bottle drive is to raise money for Conference expenses.

D.V. Highlights

By: Edith Deby

The W.I. invites you to hear Mrs. Winnifred Stewart, Principal and Founder of the Edmonton School for Retarded Children at the Public School on March 25, at 8:15 p.m.

A silver collection will be taken. Congratulations to Bill and Mary Block on the arrival of their third fine son.

UNITED CHURCH NEWS

UNITED CHURCH W. A.

The Evening Group held their regular meeting March 3rd at the home of Mrs. Argent with Mrs. Pace as Convener. There were 16 members and 3 visitors present.

Mrs. Adams volunteered to take part in the Women's World Day of Prayer to be held March 4th at the Church of God.

Following the meeting lunch was served by Mrs. Argent and Mrs. Anderson.

The next meeting will be held April 7 at the home of Mrs. A. Wright.

VIOLET GROVE GROUP

The Violet Grove afternoon group held their regular meeting at the home of Mrs. V. Heyland on March 8. There were 14 members present. The May 14 tea, upon sale and bazaar sale was discussed. Mrs. Winnifred Stewart of the School of Retarded Children will speak in the school auditorium on March 25th at 8 p.m. All members are invited to attend.

Lunch was served by Mrs. Jean Campbell and Mrs. V. Heyland. The next meeting will be held April 12 at the home of Mrs. Wright.

WELCOME LITTLE STRANGERS

Week of March 6th till the 12th.

March 6 Mrs. Helen Gillingham boy, 9 lbs., 10 1/4 oz.

March 7 Mrs. Emma Hayward, girl, 6 lbs., 5 oz.

March 8 Mrs. J. A. Mortimer, boy, 7 lbs., 4 oz.

March 9 Mrs. Patricia Walcott, girl, 6 lbs., 5 1/2 oz.

March 10 Mrs. Winnifred Smith, girl, 7 lbs., 14 1/2 oz.

March 10 Mrs. Eve Bray, girl, 5 lbs., 15 oz.

March 11 Mrs. Mary Block, boy, 6 lbs., 10 oz.

LIONS CLUB RODEO COMMITTEES (cont. page 1)

Fifth Annual Rodeo. The General Rodeo Committee is composed of Keith Peterson, Chairman, Ron Carter, Lorne Stevenson, Ken Boling, Henry Deby and Fr. Scriven, Secretary.

Sub-committee chairmen were also appointed. Grounds Committee chairman is Chuck Dion; Advertising Committee chairman is Carman Falkman, Dance Committee Chairman is Pete Hebo and Parade Committee chairman is Clarence Hillier.

The Rodeo committee plans to arrange to have more Midway attractions for children. It has also been suggested that the entrance fee for school children be reduced this year.

Dates for the big annual Rodeo event this year has been set for Friday and Saturday, July 29 and 30.

Taken from "Oil in Canada", March 14, 1960.

The mighty Pembina oil field has become even mightier with the latest redefinition of field boundaries, the third in three months and by far the biggest of the recent additions. As a result of an order by the Alberta Oil and Gas Conservation Board, the satellite fields of Carwood, Lob-

stick and Keystone were added to the Pembina field. This brings the area of the Pembina field to 550,000 acres and gives it undisputed right to the title of being the largest field in the world in area extent.

The key figures tell the story. The new Pembina will include an estimated 3,940 wells by the middle of the current year, according to what you see - keep coming.

RIDING CLUB

JUNIOR RIDING CLUB

Never was homework so enjoyable. This thought is in the minds of a few of Drayton Valley's younger generation. The members of the Junior Soot and Saddle Club are having the time of their lives when they learn by doing at their weekly meetings.

Debates and tips in horsemanship ride high on their agenda and an evening of fun is usually rounded up by each member bringing forth his or her contribution to the lunch. These kids are starting from the bottom and working up and there is a lot to learn but the enthusiasm is so great it is hard to believe. Parents of these children can be very proud of the way in which they are tackling their problems and helping others solve theirs.

The members meet once a week at the home of Mr. & Mrs. Charlie Davies, behind Chief Wileline. Any boy or girl under the age of 15 who has a horse and wishes to join this active group could contact President, Linda Calhoun at 538. Any new comers are welcome.

SENIOR RIDING CLUB

Do you enjoy riding and do you own a horse or have access to one? If so you may like to join our Women's Riding Club. Come and sit in on one of our meetings, meet the other housewives

and enjoy the ride.

Drayton Valley is the first and only town or city in Alberta, with the exception of Calgary and Edmonton, to vote for additional liquor outlets.

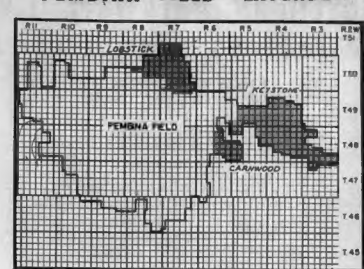

Plumbing

Alterations, repairs, and new installations. FREE ESTIMATES!

One year guarantee on ALL WORK.

WRITE: Box 68, Violet Grove.

PEMBINA FIELD EXTENDED

stick and Keystone were added to the Pembina field. This brings the area of the Pembina field to 550,000 acres and gives it undisputed right to the title of being the largest field in the world in area extent.

The key figures tell the story. The new Pembina will include an estimated 3,940 wells by the middle of the current year, according to what you see - keep coming.

At present, we are doing a bit of paper work, learning together and planning for our summer activities. The next meeting will be on March 30. For further information, phone Jackie at 401 - you may enjoy it.

RADIO CLUB

Calling all Amateur Radio Fans-- if you wish to become a member of an Amateur Radio Club please contact Doug Iverson at phone number 286 before March 23rd.

This invitation is open to all men and boys regardless of previous knowledge of the radio.

REMODELING STARTED ON COCKTAIL LOUNGE

Camwell Construction Ltd., of Edmonton, started remodeling operations on the Dining Room of the Drayton Valley Hotel Cafe. The former bank section will be converted into a cocktail lounge, and the dining room to a licensed dining room. It is expected it will take about two months to complete the job.

Drayton Valley is the first and only town or city in Alberta, with the exception of Calgary and Edmonton, to vote for additional liquor outlets.

PLUMBING

Alterations, repairs, and new installations. FREE ESTIMATES!

One year guarantee on ALL WORK.

WRITE: Box 68, Violet Grove.

From Scoop's Notebook

Constable McIntosh is the new R.C.M.P. officer in town. He is relieving Constable Wilton who is going to Regina for a six-week course.

Lions from Drayton Valley went to the South Edmonton Lions Club meeting on Monday night last. They were representing for some of the several trips South Edmonton Lions have made to Drayton Valley when they were the sponsoring club for the local group, and since.

The Lions who went from here were Al Miles, Clarence Hillier, Henry Brink and Fr. Scriven.

For a while it looked as if Lorne "Abbe" Stevenson, of Stevenson Hardware might be going into the land has business when he acquired one used hat at the Lions Club dinner meeting last Tuesday.

MAN SENTENCED

Magistrate Glendenning sentenced A. Doell to two years in jail to police court Tuesday when Doell appeared before him for sentencing for his part in regards to the attempted holdup of the Pembina Gardens Restaurant. Cases against two others allegedly involved in the same case were dismissed for lack of evidence.

THE Editor's Viewpoint

We are usually in such a rush now days that we have but little time to look back to the past but it would seem that some things of historical value of the past should

be preserved.

A movement is now underway to preserve oldtime pictures of the Drayton Valley area, perhaps a suitable place will be found to display them publicly.

While we are on the matter of historical points of interest we should not forget Drayton Valley's "beginnings". The old log house and store of the Drake family is

just west of town, near the ball park site.

For those more recently come to Drayton Valley who may not know the first history of the town we might repeat it briefly. Drayton Valley was named "Valley" because the first store and post-office were in the Valley to the west of the present townsite. First

postmaster was Mr. Drake, who homesteaded the quarter where the Rodeo grounds are now located. Mr. Drake was killed in a tragic automobile accident on #10 Highway a couple of years ago while returning to Edmonton from Drayton Valley.

The settlement here was first called "Powerhouse" because a power project on the Saskatchewan River south of Drayton Valley near the former ferry site, was in the making when World War I broke out and the English capital which was to be put into the scheme was withdrawn. When the power project faded out the name of "Powerhouse" seemed inappropriate and Postmaster Drake looked around for a new name. The name of "Drayton" from an English town was chosen, and then the name of "Valley" added to it, to make our present "Drayton Valley"; rather a pretty name "Valley Grove".

It would seem that perhaps some move should be made to preserve the historic old log buildings which was the centre of the first community here. Perhaps a local civic organization could get behind a project to restore and preserve the two log buildings. Perhaps a plaque could be erected stating that they are, and when they were first built. If they were in some other communities they would long ago have been established as historical sites.

If anyone has old-time pictures

of Drayton Valley they will eventually be put to use to provide a pictorial background for the town and its growth. For the time being pictures may be brought to this office. If you do leave pictures here please be sure that your name and address, legibly written, is attached to same.

"Search for Talent"

The Fifth Annual "Search For Talent" show will be staged in Drayton Valley Saturday evening, March 19th, in Elks Community Hall.

This very entertaining show has drawn capacity crowds each time it has come to Drayton Valley. It is jointly sponsored by Associated Canadian Travelers and CPN Radio.

The local talent that the show finds out here is always very entertaining and after the amateur program is over the professional entertainers take over for almost an hour of very good entertainment.

"SEARCH FOR TALENT"

The A.C.T.-CPN "Search for Talent Show" got off for a good start in Drayton Valley Elks Community Hall at 7:30 Saturday evening with a bang-up capacity crowd on hand to see the performance. The show started off with some of the very good professional talent from CPN Radio giving a curtain-raising performance. After the introductory numbers the main business of the show got down to business, i.e. uncovering any talent which might happen to be in this district.

Twenty acts were scheduled and run off. They were listed as follows: 1. Roseta Muir, Violet Grove; 2. Robert Muir, Violet Grove; 3. Lucy Muir, Violet Grove; 4. Danny Hallett, Round Valley; 5. Smilla Michelow, Drayton Valley; 6. Pat and the Satellites; 7. Bob Haycock, Drayton Valley; 8. Barbara Wood, Starlet Reps and Louise Dent-fuk, Drayton Valley; 9. Ruby Salts, and Donna Valliquette, Drayton Valley; 10. Ernest Mal-owich, Drayton Valley; 11. Frances Maloney and Nina Reg-nick, Berrymore; 12. Omer Par-entess and the Riviera Cassavats, Drayton Valley; 13. Edith and Ethel Widemann, Berrymore; 14. Juanita Omes, Drayton Valley; 15. Margaret Haynes, Dray-ton Valley; 16. Sam Reich, Tom Jawak; 17. Fred Hantz, Round Valley; 18. Fred Hallett, Round Valley; 19. Colleen Hankins, Carmwood; and Terry McManus, Drayton Valley.

At the close of the show Act No. 13, Edith and Ethel Widemann were in first place, Act No. 6, Pat and the Satellites were in second place and Act No. 16 Sam Reich was in third place.

The Spotlight Parade show staged by the CPN professionals was tops this year. It has been an excellent show each year, but this year it exceeded former years in top-notch entertainment value.

The Spotlight Parade show featured the well-known Tony Blamonte as Master of Ceremonies and Manager of the show, fast-talking, fast-moving Tony kept the show rolling at a fast clip and with clock-like precision.

BANQUET FOR BOXERS

Seventeen diners sat down to a turkey dinner in the Cadillan Room on Thursday evening, March 17. Occasion of the get-together was the awarding of the Cody trophy for the best all-around boxer of the year. Guests at the meal were four of Drayton Valley's top boxers, Ruffia Combs, Ken Watts, Orvin Combs, and Mervin Combs, and trainer Gordon Cross and Don Booker. The Combs boys are brothers; all trophy lads from Rocky Rapids, the sons of Mr. and Mrs. Ervin Combs. Ken Watts is a local boy, showing good promise as a fighter.

The Cody Trophy was awarded by Cody Construction Co. and will be awarded annually for the best all-around boxer of the year. Any boxer winning it for three years in succession will get to keep the large, handsome trophy.

Ken Watts also received trophies and awards for winning in his class at the Golden Gloves competition. And the other two, Orvin and Mervin Combs, have each made exceptionally good showings in their weight range.

On Friday and Saturday of this week Trainer Cross will take the three Combs boys and Ken Watts to compete in the Northern Alberta Championships at Wainwright. Cross expects that his

William L. Copeman

William L. Copeman was born in Semans, Saskatchewan, where his father was road foreman for the municipality. Bill took his schooling in Semans before leaving for the East in 1935, where he worked in Ontario until he joined the Airforce ground crew in 1941. He was stationed in Canada and Alaska during the war, and was discharged in Vancouver, B.C. in 1946. He tells of the "eventful ten days" in 1946, when (1) He was discharged from the army, (2) He had a birthday, (3) He got married. All within the space of ten days.

He returned to St. Catharines, Ontario, where he joined a shoe company and managed those stores until he came to Alberta in 1948.

OIL WORKER LOSES FOOT IN ACCIDENT

A freak accident on Saturday morning at Peter Bowden Rig No. 12, in the Breton area, put young George Shave, (20) in Drayton Valley Hospital, where his foot and leg were amputated just below the knee.

According to Mr. Shave his foot got caught between the substructure and the beam, and as the cat which was moving the substructure, pulled ahead it crush-

(cont. page 10, col. 4)

Arriving in Alberta he spent most of the time on the road as shoe salesman until July, 1955, when he came to Drayton Valley to manage McKenken's Shoe Store.

While travelling as a salesman Mr. Copeman was a member of Associated Canadian Travelers and since coming to Drayton Valley he has been very active in work with A.C.T. in their big project of conducting "Search for Talent" shows in aid of Crippled Children. He has handled all local applications for a spot on the "Search for Talent" show here.

Bill has been a member of the Curling Club since it was first organized here, and has been treasurer for the club for the past two years. A charter member of the Drayton Valley Branch of the B.P.O. Elks, he was Leading Knight for two years, and is now a trustee. He has also been a member of the Drayton Valley Canadian Legion since it was first formed. While the Kinsmen Club was functioning in Drayton Valley, he was a charter member of the organization.

He married Sylvia Robertson in Vancouver in 1948. The Copemans' have two children, Leonard, 12, and Terry, 8. Mrs. Copeman, too, has been an enthusiastic worker on many community projects. She is a member of the Ladies Curling Club.

Staff Photo

The above picture shows, (left) Fred Bengton, superintendent of Cody Construction Company which donated the Box-of-the-Year Trophy, Ruffia Combs, first winner of the trophy, and Gordon Cross, trainer of the budding young boxers in the Pembina Boxing Association, which is a part of the Drayton Valley Athletic Association. The large trophy Ruffia is holding is the Cody Trophy and the smaller ones represent awards for the Best Right Hand, and the Best in the Novice Class. Ruffia is wearing the Robe and trunk he won as best novice boxer, in the recent Golden Gloves competition in Edmonton.
